DIRECTORS OF INNSOURCE SOLUTIONS ACQUIRE INN CONTROL SYSTEMS INC. AND ITS POPULAR ICS2000 PROPERTY MANAGEMENT SYSTEM

Mark Sergent and Ben Larsen, directors of InnSource Solutions Inc., announced today that they have acquired Inn Control Systems Inc. This acquisition provides InnSource Solutions with Inn Control's complete client base, the ICS2000 property management software, interfaces, company trademarks, and other intellectual property.

"As founding members of Inn Control Systems, it's great to be back and we look forward to working with all the Inn Control clients again," commented Ben Larsen. "Clients can expect a renewed commitment to all services of their Inn Control products."

"We look forward to providing the industry with the quality products clients have been accustomed to in the past," said Mark Sergent. "Development of our new Windows product line is underway beginning with a new Hotel Management Solution. Our goal is to provide innovative, dependable solutions and support for existing and new clients alike."
